

EIS Grade 5 Supply List

Dear Parents/Guardians:

Thank you so much for taking the time to purchase items for your child this year! The fifth grade teachers worked very hard to create a supply list that allows you to buy exactly what your child is going to need for this year and not ask you to buy anything that isn't necessary. It is very important that you purchase exactly what is listed. If the store is out of something, please let us know, so we can give your child extra time to find the item you are looking for. If you are unable to purchase certain items due to financial reasons, please let us know and we can work with you.

Items for ALL CLASSES

Lots of #2 pencils (regular or mechanical)

3 packs of Loose Leaf paper

1 package of cap erasers
